

Music B.

~~providing~~ providing Nirvana

Sports

A) Sports B Sports
Rugby - does have b
Boxing but not as
much.

A + B combined.
Football.

Require surgery done on
good and bad plays from
each player on team.
Analyze stats. A+B brain.
50/50?
Comedy examples.

B comedy two and a half
men
Most jokes are
B response.

Additional Information

Subconscious connect
between all A.
Subconscious connect
between all B.
Brain works better
when cool or cold.
Food hot/cold/spice
very important

PRIMARY WORRY

Decision making process
become on/off because of
A joke
Computer reliance. No incremental
change, decision anymore. We choose
yes/NO, no maybe or
incremental change.

B challenge response examples

Spelling something wrong.
Obviously incorrect information
- lost keys, wallet etc.
mild accident.

A) Dominant brain, contains main core functions.

B) Primary function "challenge response" for A. brain + core functions,
wishes to establish dominance, Does have failover capacity and is used, regularly

Development Notes:

Human created in image of god.
So we create in image of us
heart beat, clock, mouse, car design etc.
Brain =. Yep, afraid so. (PC) not very. i
